It's all here in the Railway Book Club. Footplate stories from the *Flying Scotsman*. Recollections of thundering across the Pennines, or dashing back to Paddington at breakneck speed.

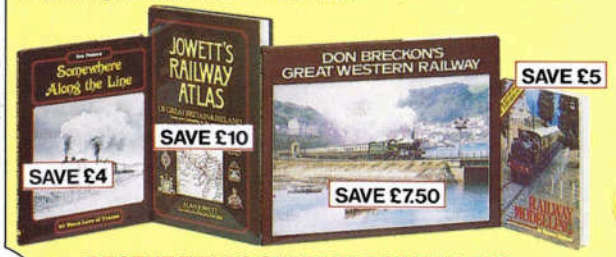
Whatever your particular interest in railways – this is *your* book club. Because the Railway Book Club offers you an outstanding range of specialised titles at superb savings of between 20% and 50% OFF the publishers' prices. That's pounds, not pennies!

NOW IS A GREAT TIME TO JOIN

Why? Because you can take advantage of this excellent introductory offer. Choose any three books from the wide selection shown inside – and benefit from the huge savings on the special introductory prices. In fact, you can save yourself as much as £64.50 on the publishers' prices. Plus – you get four delightful reproduction mini posters absolutely FREE! And they're yours to keep whatever you decide. That's your ticket to the superb savings that lie ahead when you belong to the Railway Book Club.

IT'S AS SIMPLE AS THIS

Just write the numbers of the books you have chosen in the boxes provided, then complete and return the coupon in your club envelope. You'll receive the books you order with your first issue of PLATFORM magazine. Thereafter you will receive a free and fully illustrated club magazine at approximately three-monthly intervals, packed with news and reviews on the latest railway books. The subjects range from steam locomotives to railway modelling . . . from photography to signalling . . . from evocative reminders of the past to technical specifications on the latest diesels.



RECENT TITLES OFFERED TO MEMBERS

We provide books by top authors on every possible aspect of railways around the world, past and present. And, at various times, you'll have the opportunity to choose general interest books for all the family.

BUT BOOKS AREN'T THE FULL STORY...

. . . because you'll also have the chance to take advantage of a variety of exciting offers – for instance, last year many of our members enjoyed a special trip on the 'Watercress Line' – a journey by steam through 10 miles of beautiful Hampshire countryside which included the services of an expert guide and the great chance to meet other rail enthusiasts.

SEND NO MONEY NOW

All we ask is that you choose at least one book from each magazine during the course of your membership. Minimum length of membership is 4 magazines.

So, choose your three introductory books right now. But please don't send any money with the coupon. You have ten days to make up your mind. We want you to see the books at home before you decide.
